

# TailHigh Purpose

Trip & Activity

## **TAILHIGH**

Build a Trip & Activity culture for people and their furry partners with creative products and services.

## **OUR VISION**

The anticipation of your furry companion as it waits to step into the outdoors.

The unbridled excitement, the uncontrollable tail, and the pure joy.  
This is why TAILHIGH was born.

No matter how short the walk, to them it's a precious one-day journey.  
Using innovative technology, we provide a comfortable and safe way for you to be with your companion.  
This is why TAILHIGH exists.

# Hybrid Dog Harness

A new concept of 2-in-1 harness and leash

Easy to off-leash, optimized for vehicle travel, camping, and outdoor activities.

# ALL-IN-ONE HARNESS + LEASH

A black and white speckled dog is standing and looking up at a person's hand. The dog is wearing a black inflatable wetsuit with teal-colored trim around the neck, cuffs, and a handle on top. A yellow tag is attached to the bottom of the suit. The person, wearing a grey shirt and orange pants, is kneeling and reaching out with their hand open. The background is a plain white surface.

# Inflatable Dog Wetsuit

Inflatable, foldable, high buoyancy and balance

Inspired by Scuba BCDs as the first inflatable dog wetsuit

# Inflatable Dog Wetsuit

## TAILHIGH Standard

Standard line for users with light trip in everywhere

A basic items with urban street fashion design and the features required for trip.
